Overview Of The Past Week

Great week of basketball this past weekend for the Salem Swish as we had 8th grade girls, 6th/7th Grade Boys, and 5th Grade Boys all take second place at the tournament in Salem. Our 5th grade girls showed major improvement finishing out the weekend very competitive. 8th grade boys (Wilson) played in the tournament this past weekend looking to improve heading into the home stretch of tournaments.

Our Friday night Salem Youth League provided us with a slate of competitive games at South River Road as we saw in our first game the Level 2 West Salem teams play a close game. In our second game the Level 3 South (Beyrouly) team defeated our Level 3 West (Carroll) team by a few points. In the third game we saw our Level 3 South (Barker) team win a close one versus our Level 3 West (Carroll) team. At West Salem we had our Level 4 (Soper) team defeat our Level 4 (Bennett) team. In the second game we had a barn-burner as the Level 4 South Team held on to win by two points versus our Level 5 West Girls team. In our final game of the night we had a buzzer beater as Jackson Clements hit an 8-foot runner off the backboard with seconds left to lead the Level 3 West (Jordan) team to victory versus the Level 5 West Girls Team.
