BLAZER GAME UPDATE

We currently have less than 30 tickets left for the upcoming Blazer game on Tuesday December 15, 2009. Please visit our website at www.basketball.fitfx.com to reserve your tickets. We have fixed our ordering information to include a confirmation of your order. I will be emailing everyone this week with updated information regarding current confirmations and distributions of the tickets.

WINTER BASKETBALL LEAGUE SCHEDULE

I am in the final stages of putting together our winter basketball schedule for Level 2 through Level 7. The schedule will be included in next week's newsletter.

TEAMS & ROSTERS

Final teams and rosters will be completed by this week. There will be a maximum limit of 10 athletes per team. Any practices that currently have more than 10- participants will be split to make two teams. Please understand it is impossible for me to satisfy everyone's request for placement with friends, certain teams, etc. with the size of the program. My goal is to place your child in the best situation for growth and development.

PRACTICE GEAR, UNIFORMS, ETC.

We will begin fitting your child for practice gear and uniforms by the beginning of next week. This will be done during your child's practice. Keep in mind we will be offering additional orders for sweatshirts and t-shirts this year.

STUDENT ATHLETE AGREEMENTS

At the Courthouse Basketball Academy we believe that academics are very important. Each coach is going to send home a Student Athlete Agreement with each child that is Level 2 or above this week. The Student Athlete Agreement just states that each child will agree to keep their grades up and each coach will get a photocopy or email of the child's grades upon permission by the family. We will have a spot on our website to acknowledge our scholar athletes.

PLAYER EVALUATIONS

Each coach will evaluate players from Level 2 through Level 8 this week. I have enclosed a sample of the player evaluation for your viewing. The evaluation will be conducted as a pre-season guide to your child's current skill level. It allows the coach and the parent to discuss strengths and weaknesses for each player. This evaluation will be completed this week, then next week an individual parent meeting will be set to discuss the results. We will also have a mid-season evaluation and a post-season evaluation to measure the progress of your child.

PARENT MEETINGS

Each coach will be responsible for setting a parents meeting next week. The parent meeting will discuss player, parent, and coaching expectations for this upcoming season. After the parents meeting the goal is to have a 5-minutes individual meeting with each parent to discuss the Player Evaluation.

WEEKLY NEWSLETTERS

For our new members of the Courthouse Basketball Academy, communication is very important to our program. Beginning Sunday November 8, 2009 you will receive a newsletter via email each Sunday night. Please check your email each Monday morning. This will help answer questions you may have along with always keeping you updated with upcoming events, tournaments, leagues, schedules, etc. If you are unable to open the word document attachment the newsletter will always be available online on our website at www.basketball.fitfx.com by each Wednesday under the heading NEWS.

UPDATED WEBSITE

Our website is currently updated with such new features as Twitter, FAQ, Mini Picture Gallery, etc. During our season it will be very important to check the website for up to date information. Our website is www.basketball.fitfx.com.

NEW EFFECTIVE COMMUNICATION SYSTEM

Due to the increase in participants I want to make sure communication is maximized. I am going to respond to emails and phone calls twice a day. Once from 11-11:45 am and 3-3:30 pm (Monday-Friday). On Saturday's and Sunday's I will check my emails and voicemails at 11 am, anything received after that will be returned the following day. ***If you have an emergency you can call anytime.*** Therefore I am keeping our website and newsletters updated so please check www.basketball.fitfx.com for answers to your immediate questions. If your child is unable to attend a practice or game please email me before 3:30 pm the day of your child's absence.
