BLAZER GAME-MARYSVILLE SCHOOL SUPPLY DRIVE

I am sure many of you have heard about Marysville Elementary School that burned down in Portland, Oregon displacing over 400 students. If not I have attached a link to the story <http://www.kptv.com/news/21634294/detail.html>. Our goal in this program has always been to teach children about basketball and life. December 15, 2009 if you are attending the Blazer Game, I would ask you to donate a school supply to Marysville Elementary School. Please remember, you can donate extra pencils, pens, paper, etc. that you may already have at your home. The Blazers have a donation bin for the elementary school at The Rose Garden, so lets try to help the community fill it to the top. I will begin this process by donating the first \$100 dollars worth of supplies. I hope we all can help; a little bit goes along ways.
